

# 01

This brand is trying to redefine user experience by enhancing power time. News reveals that they are integrating the fastest hero of DC into their new generation venture. Which range of brands are doing so?

**02**

Which actor plays the character who is wearing the Michael Myers mask on Halloween in this TV series?

## 03

Riddler leaves a note saying  
"Light will go out, night will fall  
Noises will be heard, Gotham will fear  
Fear the noises, fear the dark"  
Bat links this to some ancient science which  
deals with conditioning humans. Can you  
help him save the day?
